

The Key to Personnel Recruitment & Contracting

For over 25 years, we've been resourcing and managing a contingent workforce for engineering, construction and maintenance teams across Pipeline Utilities Infrastructure around Australia.

We're compliant, licensed and tapped into People into Pipelines:

- Survey & GIS mapping
- Design, 2D/3D, CAD & drafting
- Engineers & Project Managers
- Field Inspectors & Site Supervisors
- Production & manufacturing
- Associated roles in document control, technical writing, administration & support, finance, procurement, sales & management

On projects such as:

- AusNet Services & Multinet Gas networks, VIC
- Bonaparte Gas Pipeline, NT
- Brooklyn to Lara Gas Pipeline, VIC
- Eastern Gas Pipeline, NSW & VIC
- Illabo-Tumut Gas Pipeline, NSW
- Queensland Gas Pipeline, QLD
- Telfer & Nifty Gas Pipelines, WA
- Wimmera-Mallee Water Pipeline, VIC
